Chapter 1 by Slytherin_Beauty_<3

As he walked away tears fell down. Not again..not with him...why me? Why always me??

I stood there in the rain crying and thinking about him...

Here we go again I thought

Chapter 2 by Blue

I fell to my knees with devastation...I cried more than I have ever cried before...

I cared for him very much and thought he felt the same...He left me crying...

He didn't show any emotion at all...He looked empty inside...

It looked like he had no cares in the world...He made it look easy...

He left me vulnerable...He left me empty slowly filling with tears I was holding back...

I thought here we go again

I wrong? I don't

I started to tear up again

We were fine only days ago...what could have gone wrong?

I stood up and began the long walk home

I said to myself "here we go again"
